Materials for the Projects That Move Us

CAPABILITIES STATEMENT

Your Partner for Highway & Infrastructure Construction Materials

Reliable Material Sourcing. Responsive Service. Job-Site Delivery.

WHO WE ARE

Strong Women Industrial Materials (S.W.I.M.) is a woman-owned construction materials supplier supporting highway, infrastructure, and industrial construction projects. We help contractors source essential construction materials, coordinate supplier fulfillment, and schedule delivery directly to project sites.

MATERIALS & CAPABILITIES

DRAINAGE & UNDERGROUND UTILITIES
Precast drainage structures, precast sewer structures, RCP, water and sewer pipe, sanitary sewer materials.

STRUCTURAL STEEL & FOUNDATIONS
Reinforcing steel, structural steel, steel H-piles and pipe piling, timber lagging, and structural timber.

CONCRETE & CONSTRUCTION ACCESSORIES
Concrete accessories, concrete pavement accessories.

SITEWORK & SPECIALTY MATERIALS
Geotextile fabric, erosion control materials, construction chemicals, epoxy materials.

WHY CHOOSE S.W.I.M.

Infrastructure Project Experience
Experience supplying materials for transportation, utility, and public infrastructure projects.

DBE/WBE State Participation
Certifications supporting qualifying supplier participation on state and federally funded projects.

Streamlined Fulfillment
One point of contact for coordinating material sourcing, supplier fulfillment, and delivery.

Project-Focused Delivery
Materials sourced and delivered directly to project sites in coordination with construction schedules.

Responsive, Personalized Service
Direct communication and attention throughout the procurement and delivery process.
